## Proctoring System Terms and Conditions

### 1. Regulations for testing

After logging into Proctoring System using an internal account or a partner's platform account, you (the User) will receive access to the list of available tests/exams where you may select an available exam or perform other actions according to your Institution's regulations.

After choosing the test/exam, you will be taken through the identification process according to the instructions of the system and the Proctor.

After successful identification, Proctoring System will give you access to the test/exam.

services, research, product development, or to offer your Institution customized service suggestions.

We will retain your Biometric Data, photos, and the video and audio recordings for up to 30 days after your last interaction with Constructor Technology software with this Institution, or as otherwise required by law, after which we will delete the data. Please note that your Institution may maintain your Biometric Data, photos, or the video or audio recordings for a longer period, so please contact your Institution if you have questions on their retention policies. For more details on our privacy governance please consult our Privacy Notice here: <https://constructor.tech/privacy-notice>.

By continuing using this service, you acknowledge that you have read this notice describing the type of Biometric Data, recordings, and photos collected, and consent to how that information is collected and used, and how long it is retained by us.

Tick to agree on the T&C

I accept the Proctoring System Terms and Conditions and consent to how Biometric Data is processed
