## Notes:

Once constructor proctor finish check:

→ Click Attempt Quiz to start the exam

→ Click Start attempt to view the 1<sup>st</sup> question

→ You may start answering all the MCQ Exam Questions

## **Viewing exam rules**

Exam rules are configured individually for each exam. You will see a list of prohibited and allowed actions. Please review the rules carefully.

## **During the exam**

- Now that you're in the exam, you can open the proctoring side panel. To do that, click on the button on the right side of your screen:
- On the side panel, you can see your real-time web camera image [A] and exam rules [B]:
- Exam rules contain a list of activities that are either allowed (in black) or forbidden (grayed out) during your exam attempt. Hover the cursor over an icon to see its meaning:
- Your exam session is monitored by an AI that can detect suspicious behavior. You will see corresponding warnings in the lower left corner of the screen:
- AI proctoring is an auxiliary tool. The final decision on the integrity of your exam attempt will be made by a human proctor .

## Finishing the exam

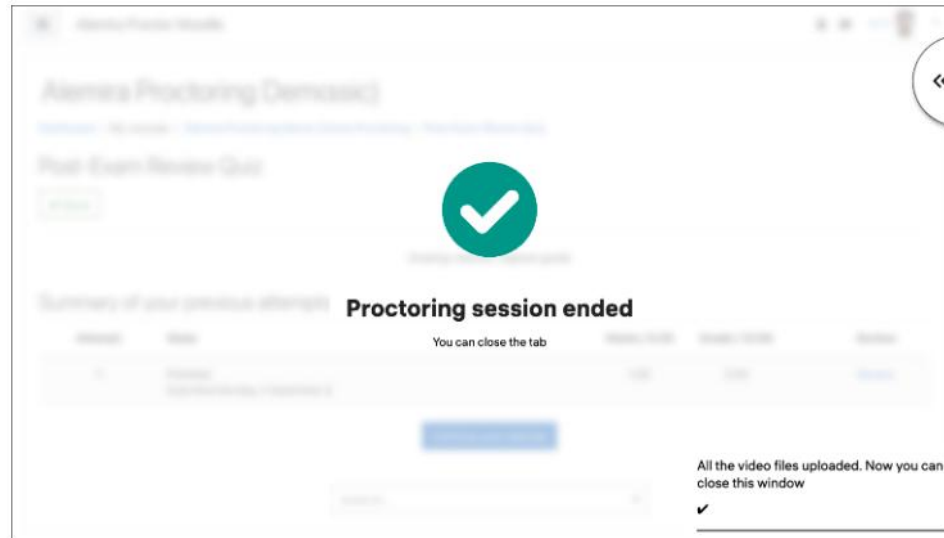

When you're ready to finish the exam:

1. Submit your attempt. You should see a message saying that the session recording is being uploaded to the server:

The screenshot displays an exam interface. On the left, a list of questions from 43 to 50 is shown, each with a status of 'Answer saved'. Below this list is a 'Return to attempt' button. To the right of the list is a timer showing 'Time left 1:17:37' and a 'Hide' button. At the bottom center, there is a red button labeled 'Submit all and finish'. A red box highlights this button. Above the button, a message states: 'This attempt must be submitted by Tuesday, 4 November 2025, 4:56 PM.' On the right side of the interface, there is a 'Quiz navigation' panel. It contains a grid of question numbers from 1 to 50. A red arrow points to question 49 in the grid. A black overlay with an information icon and a red arrow is also visible over the grid.

Please click 'Submit all and finish' once you're satisfied with your answers.

2. Wait until you see the "Proctoring session ended" message:

3. Close the tab with the exam.

A proctor will review a recording of your exam session, grade the exam , and notify you about the results via sending the hardcopy to your correspondence address.
